

Venepuncture Training

The Hub Plus Derbyshire are working in collaboration with the University Hospitals of Derby and Burton NHS Foundation Trust to aim to improve access to Venepuncture training for Derbyshire General Practice Clinicians.

What will the training cover?

This session will give you the theoretical components to understand:

- Professional Accountability
- Achieving Competency
- Anatomy & Physiology
- Infection Control
- Patient & Personal Safety
- Technique

This will be followed by a practical demonstration and the opportunity to practice the skill on the training arms.

How to apply

Please complete the **Expression of Interest form** here.

A member of the team will then get in touch to confirm your booking.

Please note: The competency assessment after attending the theory session and the retention of records of training, is the responsibility of the Derbyshire GP practitioner/practice. All training will be held at Royal Derby Hospital.
