>>> HUB PLUS UPDATES

Lower Limb Pathway Launch!

Introducing the Derbyshire Primary Care Lower Limb Pathway: your new framework for managing lower leg wounds with the latest national guidance. This pathway has been designed to improve patient outcomes and healing rates, offering a streamlined approach to fit within limited appointment times and eliminates the need for Doppler testing, effectively ruling out 'red flags'. Backed by the ICB, this innovative pathway ensures easy product selection and accurate measuring, making it simple to provide the best care. Book your spot on our Teams online training today and stay ahead with expert knowledge to enhance your practice!

FUNDAMENTALS

Fundamentals for General Practice Nursing and Registered Nursing Associates
The programme aims to equip nurses, who are new to general practice, with baseline competence in the General Practice Nursing (GPN)/ Nursing Associate (NA) role. It combines academic and work-based learning to ensure comprehensive training.

For any further information, contact georgia.hunt1@nhs.net for GPN
or amy.yeoman1@nhs.net for NA

MONTHLY WORKSHOPS

We offer monthly workshops and peer calls for our new to practice GPNs and Student Nursing associates/ RNAs For New to Practice workshops please follow the link [here](#). For SNA/NA workshops please see contact amy.yeoman1@nhs.net

NURSING ASSOCIATE PRECEPTORSHIP

The next NA preceptorship drop in workshop is on 5th May at 1pm. Please use this drop in to ask any questions about being newly registered e.g. what happens now?
