ANNOUNCEMENTS

HUB PLUS ON THE MOVE – WE'RE COMING TO YOUR PRACTICE!

Over the coming months, we'll be visiting (virtually or person) every general practice across Derby and Derbyshire to connect with you—our incredible healthcare staff.

This initiative is all about supporting you and ensuring you have access to the tools, training, and resources that make a difference in your day-to-day work.

What to Expect:

- Workforce Support – Practical solutions to support you and your team.
- Resources & Guidance – Tools designed to help you thrive in primary care.
- A Voice That Counts – In line with the NHS People Promise, we want to hear from you. Share your thoughts, ideas, and feedback to help shape the support you receive.

Most importantly, we want to hear from you! This is your opportunity to share feedback, discuss challenges, and help shape how we can best support you moving forward.

We'll be at your practice soon—stay tuned for dates and details! If you'd like us to visit your practice sooner, please get in touch by emailing ddlmc.thehubplus@nhs.net.

TESTIMONIALS

Fantastic workshop, the best menopause teaching I've attended as often talks only have time to go through menopause basics however this was exactly what I wanted from a menopause talk, going through difficult scenarios. Juliet was a great teacher. If there could be anything to improve it would be to have a longer workshop to learn even more!

The training was very interactive, interesting building on good evidenced based knowledge. I feel I have taken more away from this update then from my original starting course.

Nothing to be improved amazing course I have learned so much and has improved my diabetes knowledge/confidence (still a lot to learn) Kriss and Carmen are amazing Course led at a good pace, did not feel rushed and answered all questions
