Partnership Development Programme 2026/27

Programme Overview

The Hub Plus team are pleased to offer you a comprehensive support programme designed to equip you and guide you with the skills necessary for a successful journey as a general practice partner. Building on the substantial success of the program in recent years and the positive feedback received, we're excited to open applications for the 2026/27 cohort of our highly rated course. This updated programme features revised content and a blend of in-person and virtual sessions, providing you with diverse opportunities to collaborate, network, and receive mutual support on your path to partnership.

Learning Objectives

- Define the key elements of successful partnerships
- Identify the roles and responsibilities of partners within a collaborative setting
- Understand the relevant legal and regulatory frameworks within a partnership
- Foster a mindset for creative problem-solving within the partnership
- Develop networking capabilities to establish and maintain valuable connections in the professional community
- Explore trends and changes in the general practice and partnership landscape
- Identify personal and professional goals within the context of partnership.

Proposed Timetable

Blended session including face-to-face and remote sessions enables a flexible and accessible learning experience, fostering collaboration and networking among participants. There will be dedicated content and break-out opportunities for each cohort as appropriate.

Our Speakers, each with a wealth of experience in the intricacies of general practice will provide valuable insights, share practical knowledge, and engage in interactive sessions to support and inspire the next generation of general practice partners.

Who can apply & how much?

Any new or current Partners (Clinical and Non Clinical) who want to enhance their skills or Aspiring Partners ready to explore if Partnership is for you.

The programme is **subsidised for Derbyshire at £485** and **£559 for non Derbyshire delegates**.
